

Extract all the goodness from fruit and vegetables!

The juice extracted with the Extra Press® XL is richer in **vitamins, minerals, antioxidants and essential nutriment**s and has **maximum yield***.

With the **recipe book and free app**, you can make juices, smoothies, plant milks, desserts and coulis, and learn about their **health benefits as part of a delicious daily routine**.

Turn the Cook Expert / Food processor into a juicer

Make juices, smoothies, plant-based milks and coulis with ease using **cold press technology**.

Extra Press®: Patented by Magimix allows you to **cold press** soft or cooked fruit, vegetables and nuts to make juice, smoothies, milks and coulis.

Juice Filter: Designed to extract the vitamins and minerals from hard fruit and vegetables (apples, carrots, etc.) and green vegetables (cabbage, celery, etc.), the Juice Filter is based on patented Magimix technology to produce pure, clear juices.

Magimix know-how

Made in France.

The **XL feed tube** enables most fruits and vegetables to be inserted and juiced without the need to cut them into chunks.

All the parts are quick to clean and **dishwasher-safe**.
