

Professional ice cream maker

Built in freezer unit: no pre-freezing necessary.
You can make the most delicious ice cream from just 30 minutes!

2 Stainless steel bowls

3 automatic cycles

Gelato: light and airy ice cream 
Ice cream: traditional ice cream, creamy sorbet and frozen yoghurt 
Granita: ultra-refreshing type of sorbet 

Quick and 100% natural

In **30 minutes** you will enjoy homemade and 100% natural ice cream, sorbet, frozen yoghurt and granitas.

Easy to use and large capacity

1 manual mode  
3 automatic cycles: 1 button = 1 function   

The paddle stops turning when your ice cream is ready. Thanks to the **storage mode**, your ice cream remains at the right temperature and holds its consistency.

2 bowls: 2L fixed bowl and 2L removable bowl.
Allowing you to make two batches in a row.
