

Blend for the whole family

3 easy-to-use, travel-friendly, practical cups (225 ml) to mix, take away, or store all your small preparations easily. Ideal for anyone on-the-go.

There are Blender accessories for the whole family – BabyCups for creating small portions of your favourite recipes, fresh purées for baby food, sauces and dips, BlendCups for smoothies to go, Glass Juges for big batches of smoothies, soups, and cocktails, and Glass Mill attachment to grind spices, nuts, ice and sugar. Can be placed in the fridge and freezer. Compatible with all Magimix blenders.

BabyCups for Magimix Blender

Simple to use for a healthy lifestyle

How to use your BabyCups:

1. Add the ingredients.
2. Assemble the Magimix blender blade directly on the BabyCup.
3. Blend directly on the base and in the cup.

Pack contents
