

## THE MULTIFUNCTIONAL STEAM COOKER

### Multifunction

**4 cooking programmes to prepare everything from starter to dessert!**

Steam cooking at **100°C** for meat, vegetables, rice and desserts.  
 Gentle cooking at **80°C** to preserve the delicate texture of fish.  
 Keep warm function at **60°C** for your dishes.  
**40°C** setting for homemade yoghurt.

### Quick and vitamin-rich cooking

**Ultra-powerful heating** element for optimal steam distribution.  
**Twice as much vitamin C** compared with a traditional pressure cooker.

### Simplicity and large capacity

**Digital display** with pre-set cooking times and automatic shut-off.

With its **two 5.5 L stainless-steel steam baskets and glass lid**, the steam cooker offers a total capacity of **12.2 L**.  
 You can easily cook chicken, roasts, artichokes and more...

### Stainless-steel rice bowl

For perfectly cooked rice and for reheating sauces.  
 Stainless-steel bowl with lid included (hot and cold resistant)

### Recipe book

Over **50 recipes** to help you cook like a chef!  
 And even more recipes available on our app and website [www.magimix.com.au](http://www.magimix.com.au)

\*In accordance with the applicable legislation.
